

## Recycle with joy at Acro Engineering Company

We are committed to responsible recycling of our end-of-life products and urge you to join our cohesive e-waste movement.

Acro Engineering Company has joined a tech-enabled, environmentally beneficial and socially responsible e-waste Producer Responsibility Organisation (PRO) Karo Sambhav for making recycling a way of life.

### **What is “E-Waste”?**

Any discarded electronic appliances such as mobile phones, computers, laptops, printers, fax machines or even their parts, which have reached the end of their useful life are called [“E-Waste”](#).

### **Where and how can you recycle your e-waste?**

To recycle your waste electronic items, all you have to do is drop it off at any of these collection points below and we will take care of the rest.
