

Experience

07/12/2021 - 07/06/2021	<div>Indigi Consulting and Solutions Pvt Ltd</div> <div>SAP MM</div> <div><div><div>•</div><div>Learnt SAP MM and its interface using SAP GUI.</div></div><div><div>•</div><div>Created transactions in the GUI and understood its concepts clearly.</div></div><div><div>•</div><div>Travelled to client side and helped them to understand the GUI and did the installation of software into their system.</div></div></div>
-------------------------	--

Education

2022	<div>National Institute of Technology, Mizoram</div> <div>B.Tech</div> <div>CGPA: 7.74/10</div>
2018	<div>Mount Carmel School, Aizawl ,Mizoram</div> <div>HSSLC</div> <div>Percentage Scored:51%</div>
2016	<div>Mount Carmel School,Aizawl, Mizoram</div> <div>HSLC</div> <div>Percentage Scored: 50%</div>

Skills

<div><div>•</div><div>Excellent Verbal and Communication Skills</div></div> <div><div>•</div><div>SAP GUI</div></div> <div><div>•</div><div>Ansys</div></div> <div><div>•</div><div>CATIA</div></div>

Projects

- Nano Satellite

Testing the design of a 1 unit cube satellite using various analyses such as structural,modal,buckling,which could be launched by NASA.
- Prediction of Welding Distortion using Elastic Equivalent Load in Submerged Arc Welded P91 Steel Plate

•

Submerged Arc Welding was done on a Butt Joint Plate.

•

Various analysis was performed such as Thermal and Structural Analysis.

•

Analysis was done for small weld length as well as large weld length
